

THE DAVID B. QUARLES MEMORIAL SCHOLARSHIP

The family of David B. Quarles is establishing a scholarship in his memory at John Wood Community College in Quincy, Illinois. The goal is to create a permanent and perpetual fund; the fund will be endowed when it reaches \$10,000. The principal of the fund will be invested to produce income that will provide an annual award to a student in one of the college's agriculture programs.

ABOUT DAVID

David lived and worked throughout the United States and all over the world. From Afghanistan and Iraq to Palmyra, Missouri, at the heart of all David did was helping rural farmer families. He worked tirelessly to implement best management and improved practices to obtain optimum crop yields and increased net income for farmers.

He shared his passion with his wife and children and with all those who had the pleasure of working with him and knowing him.

The David B. Quarles Memorial Scholarship will serve as an everlasting tribute to him. His legacy of his love for learning and agriculture will continue forever through the students who will benefit from this award.

TO MAKE A DONATION

The scholarship fund will be administered by the John Wood Community College Foundation, a 501 (c) (3) charitable foundation. All contributions are tax deductible to the extent allowed by law. Contributions may be sent to the JWCC Foundation at the address below (checks made payable to the JWCC Foundation—Quarles).
